Subject Coverage

All manuscripts must be prepared in English, and are subject to a rigorous and fair peer-review process. The journal publishes original papers including but not limited to the following fields:

- Food Testing
- Infrared Detection
- Laboratory Reconnaissance
- Materials Test
- Military Detection
- Power Quality Detection
- Security Detection
- Water Detection

We are also interested in: 1) Short reports—2-5 page papers where an author can either present an idea with theoretical background but has not yet completed the research needed for a complete paper or preliminary data; 2) Book reviews—Comments and critiques.
