

## Special Issue on Obesity and Health

### Call for Papers

The terms "**obesity**" and "overweight" refer to body weight that's greater than what is considered healthy for a certain height. The most commonly used measure of weight status today is the body mass index, or BMI.

In this special issue, we intend to invite front-line researchers and authors to submit original researches and review articles on exploring **obesity and health**. Potential topics include, but are not limited to:

- Child obesity and adult obesity
- Obesity causes
- Economic costs
- Obesity-related diseases and conditions
- Globalization
- Obesity prevention strategies

Authors should read over the journal's [Authors' Guidelines](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal at [Paper Submission System](#).

Please kindly specify the "**Special Issue**" under your manuscript title. The research field "**Special Issue – Obesity and Health**" should be selected during your submission.

Special Issue timetable:

Submission Deadline	August 20th, 2015
Publication Date	October 2015
