

Special Issue on Juice

Call for Papers

Juice is commonly consumed as a beverage or used as an ingredient or flavoring in foods. It is also a common practice to mix juices of different fruits/vegetables.

In this special issue, we intend to invite front-line researchers and authors to submit original researches and review articles on exploring **juice**. Potential topics include, but are not limited to:

- Production processing
- Filling technology
- Packaging and materials
- Sensory analysis
- Juice phytochemicals
- Shelf life and quality parameter
- Health effects
- Organic farming practices

Authors should read over the journal's [Authors' Guidelines](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal at [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue – Juice**” should be selected during your submission.

Special Issue timetable:

Submission Deadline	February 29th, 2016
Publication Date	April 2016
