

Special Issue on Mental Health

Call for Papers

Mental Health is a level of psychological well-being, or an absence of a mental disorder; it is the "psychological state of someone who is functioning at a satisfactory level of emotional and behavioral adjustment".

In this special issue, we intend to invite front-line researchers and authors to submit original researches and review articles on exploring **mental health**. Potential topics include, but are not limited to:

- Emotional issues around the world
- Anxiety & Panic disorders
- Bipolar disorder & Depression
- Eating disorders
- Schizophrenia
- Substance abuse & Addiction
- Emotional improvement
- Therapy/Treatment

Authors should read over the journal's [Authors' Guidelines](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal at [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue – Mental Health**” should be selected during your submission.

Special Issue timetable:
