Call for Papers

Special Issue on Geriatric Medicine

In the journal Health (ISSN Online: 1949-5005)

Detailed information about this journal: [Indexing](#), [Aims & Scope](#), [Editorial Board](#), [Author's Guidelines](#)

Geriatric medicine focuses on health care of elderly people. It aims to promote health by preventing and treating diseases and disabilities in older adults.

We sincerely welcome scholar and expert with relative academic backgrounds to submit original research paper or review paper to this special issue on **Geriatric Medicine**. Potential topics or areas include, but are not limited to:

- Geriatric oncology
- Geriatric general surgery
- Geriatric mental health
- Chronic diseases in the elderly
- Diabetes and cardiovascular disease in the elderly
- Liver and kidney dysfunction
- Drug use for elderly people
- Elderly care and stroke rehabilitation
- Aged dementia
- Disorders in menopause

Submission Methods:

Submit a paper to this special issue or regular issue of our any journal via [Paper Submission System](#) or attach paper in an email sent to submission.entrance1@scirp.org (please indicate the name of our journal or special issue; any inquiry is also welcome).

Friendly tip: please bookmark this page in your web browser if you consider contributing to our journal or special issue in the near future.
