Special Issue on

Primary Care and Healthcare Management

Call for Papers

Primary Care and Healthcare Management is an interdisciplinary field focused on the delivery, organization and management of primary healthcare services. It encompasses patient-centered care, disease prevention, health promotion, healthcare administration, resource allocation, community health and quality improvement. The field aims to enhance healthcare accessibility, service efficiency, patient outcomes, and the overall effectiveness and sustainability of primary healthcare systems.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Primary Care and Healthcare Management**. Potential topics include, but are not limited to:

- Primary Healthcare Delivery and Practice
- Healthcare Administration and Management
- Family Medicine and General Practice
- Community Health and Primary Care
- Preventive Healthcare and Disease Screening
- Behavioral Health Integration
- Preventive Care Interventions
- Chronic Disease Management and Primary Care
- Patient-Centered Care and Shared Decision-Making
- Healthcare Quality Improvement and Patient Safety
- Healthcare Policy and Health Systems Management
- Healthcare Finance and Resource Allocation
- Integrated Care and Multidisciplinary Healthcare
- Digital Health and Primary Care Innovation
