Special Issue on Health Policy, Governance and Organizational Management

Call for Papers

The academic topic "Health Policy, Governance and Organizational Management" explores the development, implementation, and evaluation of health policies, governance frameworks and management practices in healthcare systems. It covers healthcare administration, health economics, resource allocation, healthcare quality and safety, public health policy, institutional governance and organizational leadership, with a focus on improving healthcare efficiency, strengthening institutional performance, promoting equitable access to healthcare, and supporting sustainable health system development.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Health Policy, Governance and Organizational Management**. Potential topics include, but are not limited to:

- Health Policy Development and Evaluation
- Healthcare Governance and Institutional Management
- Healthcare Administration and Organizational Leadership
- Health Economics and Resource Allocation
- Healthcare Financing and Insurance Systems
- Public Health Policy and Management
- Organizational Behavior in Healthcare
- Healthcare Quality Improvement and Patient Safety
- Health Systems Management and Reform
- Healthcare Strategic Planning and Performance Management
- Hospital Management and Administration
- Healthcare Human Resource Management
- Health Equity and Access to Healthcare
- Healthcare Regulation and Policy Compliance
- Digital Health Policy and Management
- Primary Healthcare Policy and Service Delivery
- Healthcare Risk Management and Crisis Response
- Health Information Systems and Data Governance
- Healthcare Innovation and Organizational Change
- Emergency Preparedness and Response
- International Health Policy and Global Health Governance
- Sustainable Healthcare Management and Developmen
