https://www.scirp.org/journal/ijids

***International Journal of Internet and Distributed Systems* (*IJIDS*)** is a unique platform for publishing novel ideas, research outcomes and fundamental advances in all aspects of Internet and Distributed Systems.

Subject Coverage

All manuscripts must be prepared in English, and are subject to a rigorous and fair peer-review process. The journal publishes original papers including but not limited to the following fields:

- 3P and 4P Service Provisioning
- 6LoWPAN and Related Issues
- Algorithms
- Artificial Intelligence
- Broadband Communications
- Cloud Computing & Communications
- Computational Economy for Distributed Systems
- Computer Architecture and Embedded Systems
- Computer Based Education
- Content Delivery Networks
- Cyper Physical systems
- Data Communications
- Data Compression
- Data Encryption
- Data Mining
- Database Systems
- Digital Library
- Digital Signal and Image Processing
- Digital System and Logic Design
- Distributed and Parallel Processing
- Distributed Systems
- Future Internet and Networks
- Future Services
- Grid & P2P Computing
- IMS and Related Technologies
- Internet Architectures and Protocols
- Internet Quality of Service
- IPTV/IMS Management
- Mobile Cloud Computing
- Network Management and Traffic Engineering
- Network-Based Applications (VoIP, Streaming)
- Networking Simulations
- Next Generation Networks
- QoS and QoE Provisioning
- Route Optimization
- Security of Communication Networks
- Self-Managing Systems
- Signaling for Application Sessions and Networking
- Streaming Services over Wired/Wireless Access Networks
- Theory, Modeling of Internet-Based Systems
- Tools and Techniques for Network Measurements
- Wireless Network

Articles submitted to the journal should meet these criteria and must not be under consideration for publication elsewhere. Manuscripts should follow the style of the journal and are subject to both review and editing.

Notes for Intending Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
