# Call for Papers

## Journal of Software Engineering and Applications (JSEA)

ISSN 1945-3116 (print) ISSN 1945-3124 (online)

<https://www.scirp.org/journal/jsea>

JSEA is a professional journal in the field of software engineering and application. The goal of this journal is to provide an international platform for engineers and academicians all over the world to promote, share, and discuss various new issues and development in the field of software engineering. It is an archival publication to disseminate the results of fundamental and applied research, especially those relevant to software engineering. This journal aims to encourage deeper understanding and greater effectiveness in the theory analysis and engineering application relevant to software engineering fields.

### Subject Coverage

All manuscripts must be prepared in English, and are subject to a rigorous and fair peer-review process. Generally, accepted papers will appear online within 3 weeks followed by printed hard copy. The journal publishes original papers including but not limited to the following fields:

Automated Software Design and Synthesis  
Automated Software Specification  
Component-Based Software Engineering  
Computer-Supported Cooperative Work  
Formal Methods  
Knowledge Acquisition  
Object-Oriented Technology  
Patterns and Frameworks  
Process and Workflow Management  
Program Understanding Issues  
Programming Languages and Software Engineering  
Reflection and Metadata Approaches  
Reliability and Fault Tolerance

Requirements Engineering  
Reverse Engineering  
Software Architecture  
Software Design Methods  
Software Domain Modeling and Meta-Modeling  
Software Engineering Decision Support  
Software Engineering Education  
Software Maintenance and Evolution  
Software Process Modeling  
Software Quality  
Software Reuse  
Software Testing  
Tutoring, Help, Documentation Systems

We are also interested in short papers (letters) that clearly address a specific problem, and short survey or position papers that sketch the results or problems on a specific topic. Authors of selected short papers would be invited to write a regular paper on the same topic for future issues of the JSEA.

### Notes for Prospective Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
