

Special Issue on
Financial Innovations and Financial Inclusion
Call for Papers

Financial Innovations and Financial Inclusion studies how new financial technologies, products and services improve access to financial systems for individuals and businesses, especially underserved populations. It examines innovations such as mobile banking, digital payments, fintech platform and microfinance that reduce barriers to financial services. The field focuses on enhancing economic participation, reducing inequality and promoting inclusive economic growth through more accessible, efficient and affordable financial solutions.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Financial Innovations and Financial Inclusion**. Potential topics include, but are not limited to:

- FinTech innovation and digital finance
- Innovation and economic growth
- Entrepreneurship and innovation
- Marketing innovation
- Consumer-driven innovation
- Digital payments and mobile money
- Data analytics and financial inclusion
- Economics of innovation and new technology
- Financial innovation and structural change
- Blockchain and decentralized finance
- Digital assets and financial inclusion
- Banking inclusion and access to credit
- Data analytics and AI in finance
- Microfinance and microcredit systems
- Alternative credit scoring and lending
- Regulatory technology and inclusive innovation
- Digital financial literacy and consumer protection
- Risk management in inclusive finance
- Financial inclusion and economic development
- Innovation, policy and sustainable development

Authors should read over the journal's [For Authors](#) carefully before submission.

Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – *Financial Innovations and Financial Inclusion***” should be chosen during your submission.

According to the following timetable:

Submission Deadline	August 18th, 2026
Publication Date	October 2026
