Open Journal of Business and Management

ISSN 2329-3284 (Print) ISSN 2329-3292 (Online)

<https://www.scirp.org/journal/ojbm>

Open Journal of Business and Management (OJBM) is an international journal dedicated to the latest advancement in the study of business and management. The goal of this journal is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in different areas of business and management.

Subject Coverage

All manuscripts must be prepared in English, and are subject to a rigorous and fair peer-review process. Accepted papers will immediately appear online followed by printed hard copy. The journal publishes original papers covering a wide range of fields but not limited to the following:

- Accounting
- Advertising
- Analysis
- Business and economics education
- Business ethics and corporate social responsibility
- Business finance and investment
- Business law
- Business research methods
- Business theories
- Case studies and management information systems
- Communication
- Consumer behavior
- Corporate governance
- Engineering management
- Entrepreneurship
- Environmental management and profitability
- Financial reporting
- General business research
- General management
- Health management in public and private institutions at the healthcare sector
- Human resource management
- Information technologies
- Insurance
- Internationalization features of Small and Medium Enterprises (global SMEs)
- Legislative issues/initiatives at the entrepreneurial sector
- Management information systems
- Management organization
- Marketing
- Marketing theory and applications
- Operations management
- Organizational behavior
- Organizational behavior and theory
- Personnel and industrial relations
- Production/operations management
- Project management
- Project management and strategy
- Risk management
- Sales management
- Social issues and public policy
- Statistics and econometrics
- Strategic management
- Strategic management policy
- Supply chain management—advancements in logistics management
- Technology and innovation diffusion in enterprises
- Total quality management

We are also interested in: 1) Short reports — 2-5 page papers in which an author can either present an idea with a theoretical background but has not yet completed the research needed for a complete paper, or preliminary data; 2) Book reviews — Comments and critiques, special peer-reviewed issue for colloquia, symposia, workshops.

Notes for Intending Authors

The submitted manuscript should not have been previously published in any form and must not be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
