<https://www.scirp.org/journal/ojcd>

**Open Journal of Clinical Diagnostics (OJCD)** is an international peer-reviewed, open access journal publishing in English original research studies, reviews and case report in clinical diagnostics. Symposia or workshop papers may be published as supplements.

Open Journal of Clinical Diagnostics (OJCD) is an international journal dedicated to the latest advancement of clinical diagnostics. The goal of this journal is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in different areas of clinical diagnostics. All manuscripts must be prepared in English, and are subject to a rigorous and fair peer-review process. Accepted papers will immediately appear online followed by printed hard copy. The journal publishes original papers including but not limited to the following fields:

- Alternative and Complementary Medicine
- Anesthesiology
- Clinical Radiology
- Critical Care Medicine
- Dermatology
- Emergency Medicine
- Family Practice
- Functional Diagnostics
- Geriatric Medicine
- Health Care Economics
- Internal Medicine
- Laboratory Diagnosis
- Medical Education
- Medical Ethics
- Medical Imaging
- Nursing
- Obstetrics and Gynecology
- Occupational Medicine
- Pediatrics
- Physical Diagnosis
- Physical Medicine and Rehabilitation
- Psychiatry
- Symptoms Diagnosis

We are also interested in: 1) Short Reports—2-5 page papers where an author can either present an idea with theoretical background but has not yet completed the research needed for a complete paper or preliminary data; 2) Book Reviews—Comments and critiques.

## Notes for Intending Authors

Submitted papers should not be previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. For more details, please access the website.

## *What is SCIRP?*

Scientific Research Publishing (SCIRP) is one of the largest Open Access journal publishers. It is currently publishing more than 200 open access, online, peer-reviewed journals covering a wide range of academic disciplines. SCIRP serves the worldwide academic communities and contributes to the progress and application of science with its publication.

## *What is Open Access?*

All original research papers published by SCIRP are made freely and permanently accessible online immediately upon publication. To be able to provide open access journals, SCIRP defrays operation costs from authors and subscription charges only for its printed version. Open access publishing allows an immediate, worldwide, barrier-free, open access to the full text of research papers, which is in the best interests of the scientific community.

- High visibility for maximum global exposure with open access publishing model
- Rigorous peer review of research papers
- Prompt faster publication with less cost
- Guaranteed targeted, multidisciplinary audience
