

Table of Contents

Volume 2 Number 4

October 2014

Mathematical Modelling of Population Growth: The Case of Logistic and Von Bertalanffy Models M. Y. Dawed, P. R. Koya, A. T. Goshu.....	113
On the Study of Magneto-Hydrodynamic Non-Newtonian Fluid Flow throughout Curvilinear Channel with Corrugated Walls S. A. M. Tonekaboni, H. R. Gharahi, M. H. Motevaselian, S. F. Karimian, S. Jahromi.....	127
Design and Movement Simulation to the Cam of the Testing Device for Capacitor Encapsulation Equipment H. W. Fang, G. Q. Zhang, J. Q. Jian.....	138
Partial Availability and RGBI Methods to Improve System Performance in Different Interval of Time: The Drill Facility System Case Study E. Calixto, G. B. de Lima Alves Gilson, A. M. de Oliveira.....	144
