

## Special Issue on Common Infant and Newborn Problems

### Call for Papers

There are various health problems that affect infant or newborn. Many of them are not serious, but it is very important to know how to help the sick baby, and to know the warning signs for more serious problems.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **Common Infant and Newborn Problems**. Potential topics include, but are not limited to:

- Coughs
- Colds
- Fevers
- Vomiting
- Infections
- Mouth problems
- Feeding problems
- Skin problems

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue - Common Infant and Newborn Problems**” should be selected during your submission.

Special Issue Timetable:

Submission Deadline	October 20th, 2016
Publication Date	December 2016
